**SECTION A: PMD MONDAY (06:00 a.m.)**  
**PAPER WEDNESDAY (06:00 a.m.)**

**SECTION B: PMD TUESDAY (06:00 a.m.)**  
**PAPER THURSDAY (06:00 a.m.)**

Starting 13th of March 2023 Paralimni enters the Green Dot Cyprus Packaging Recycling Programme from door to door. The categories in which we separate our products are as follows: PMD, Paper and Glass. For the PMD and Paper categories, items must be placed in transparent and brown bin bags, respectively, before being placed on the pavement outside your residence for collection from our crew. Glass will be collected from the designated bottle banks (bell-shaped), which have been placed in central areas of the Municipality.

## DESCRIPTION OF RECYCLING PROGRAMME

**PMD** and **Paper** are collected from door to door from the pavement of your residence once a week at the specific collection day of your area, providing the packages are placed correctly in transparent and brown bin bags respectively. Both types of bags can be purchased from supermarkets.

If you live in an apartment building and there is a blue Green Dot bin outside your building, then **place into it PMD category items only.**

**Paper** may also be tied together into a ream or placed into large cardboard boxes.

**Glass** is **not** collected from your house, therefore, please dispose of your glass bottles and jars in the designated green bottle banks (bell shaped) that are located in central areas of the Municipality where they are easily accessible to everyone.

## DO NOT FORGET

Please place your recyclables on the pavement outside your residence **the night before.**
